

## AUTO ULTIMA 1

Constantly frustrated by loading pouches and the time it takes to laminate? Not any more. **AutoUltima feeds, laminates and trims all at the touch of a button!**

Load your documents as you would a photocopier. Press the button and walk away. Return to a stack of perfectly laminated and trimmed documents. No need to load pouches, No need to stand and feed the pouches through. The **AutoUltima does it all for you.**

The fully automated system allows you to **maximise productivity.** In 30 mins laminate 19 documents with a standard pouch laminator, 56 with a roll laminator and trimmer and **over 100 documents with the AutoUltima,**

**Load upto 25 documents** at one time and return to a stack of perfectly laminated documents. **Ez Load roll film** prevents misloading roll film, available in 75 & 125mic thicknesses.

Capable of laminating upto A3 width and banner length quickly at 700mm per min. No need to wait for laminator to warm up. Just press the button and walk away

### Technical Specifications
